Building land, a total of 5,404 m2 is located on the edge of the construction area, Smoljanci settlement of Svetvinčenat municipality. The location is a great opportunity for investors who want to build several facilities. The land is located within the construction area. Right next to the plot there is one neighboring house, so the existing infrastructure is nearby. The terrain is of a regular shape, flat and in nature a green surface on which there is no existing one

Agency commission is charged in accordance with the General Terms and Conditions, in accordance with the Agency's price list.
