Sveti Lovreč - building land

Building land for sale in a small typical Istrian village not far from Poreč and Rovinj.

The total area is 1610 m2.

Considering its size and shape, it is possible to build a detached house, a semi-detached house or another type of building, depending on the wishes of the investor.

Due to its location, proximity to all facilities, and various possibilities in construction and adaptation, this property is a very good potential for investment.

Agency commission 3%.
